An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of a modification of the Code of Fair Competition for the Wool Textile Industry, and the annexed report on said modification, containing findings with respect thereto, having been made and directed to the President:

NOW, THEREFORE, on behalf of the President of the United States, I, Hugh S. Johnson, Administrator for Industrial Recovery, pursuant to authority vested in me by Executive Orders of the President, including Executive Order No. 6543-A, dated December 30, 1933, and otherwise; do hereby incorporate, by reference, said annexed report and do find that said modification and the Code as constituted after being modified comply in all respects with the pertinent provisions and will promote the policy and purposes of said Title of said Act, and do hereby order that said modification be and it is hereby approved, and that the previous approval of said Code is hereby modified to include an approval of said Code in its entirety as modified, such approval and such modification to take effect ten days from the date hereof, unless good cause to the contrary is shown to the Administrator before that time and the Administrator issues a subsequent order to that effect.

HUGH S. JOHNSON,
Administrator for Industrial Recovery.

Approval recommended:

A. D. WHITESIDE,
Division Administrator.

WASHINGTON, D.C.,
March 26, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The attached modification of Section 3, Article XV of the Code of Fair Competition for the Wool Textile Industry has been made in order to clarify the intent of this provision as now worded.

The industry, when submitting the original clause, wished to provide that price information would be available for its members, but did not desire to furnish samples which might be on file. The section previously approved, was so worded that both price and sample information could be demanded. The latter is a confidential matter between the individual producer and the Code Authority, and should not be made available to competitors.

FINDINGS

The Deputy Administrator in his final report to me on said modification of said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The modification of said Code and the Code as modified is well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as modified complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) Section 7 and Subsection (b) of Section 10 thereof.

(c) The National Association of Wool Manufacturers was and is an industrial association truly representative of the aforesaid Industry and that said association imposed and imposes no inequitable restrictions on admission to membership therein and has applied for or consents to this modification.

(d) The modification and the Code as modified are not designed to and will not permit monopolies or monopolistic practices.

(e) The modification and the Code as modified are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said modification.

For these reasons, this modification has been approved.

Respectfully,

HUGH S. JOHNSON,
Administrator.

MARCH 26, 1934.
